SENATE CONCURRENT RESOLUTION

A CONCURRENT RESOLUTION urging the legislative council to establish an interim study committee to study the creation of an industrial zone.

Whereas, The area around Clark County Airport has a rich history in the field of aviation;

Whereas, The creation of an aviation related industrial zone would help the area generate new businesses;

Whereas, An industrial zone dealing with aviation related industries would help reduce the unemployment rate in the region by generating new jobs; and

Whereas, Possible incentives that may be studied by an interim study committee include tax credits and regulatory relief programs to entice new industries into this zone: Therefore,

*Be it resolved by the Senate
of the General Assembly of the State of Indiana,
the House of Representatives concurring:*

1 SECTION 1. That the legislative council is urged to establish an
2 interim study committee to study the possibility of creating an
3 industrial zone for aviation related industry.

4 SECTION 2. That the committee, if established, shall operate under
5 the direction of the legislative council, and that the committee shall
6 issue a final report when directed to do so by the council.
